Very good job answering questions on piazza! Helped me out more times than i can count.

I marked 6. as "Agree" because I think some of the discussions could have been more focused on the material. Sometimes you got a little too excited about a topic and would digress, but overall this didn't happen often and I learned a great deal by attending the discussion. I also thought you did a great job answering questions we had and presenting the material in a practical way.
