*Helpful for applying concepts learned in class and helpful for doing assignments.*

### Written Comments

980 How can the instructor improve this class? If possible, give specific examples.

Student 1

*The GSI has more energy than any GSI I've had before and he's literally awesome.*

*I am a second semester senior and he is the best TA I have had at the University of Michigan. He takes time to help everyone and gives clear and concise explanations. It is clear he cares very much about helping students understand the material and do well.*
